UNITED STATES GOVERNMENT SELLIEF. CIA-RDP71B00485A000100040171-0 Memorandum

C/ASD

DATE: 14 June 1965

FROM

DAD/S&D

SUBJECT:

25X1A is still considering the possibility of installing one set of System 17 in the airplane and it would get 25X1A flying this Fall. I presume this is still olk. by you. Is he keeping you informed of his plans here?
